PROFESSIONAL SUMMARY

Results-driven Full-Stack MERN Developer with 3.1 years of hands-on experience building responsive web applications, learning management platforms, and scalable digital solutions at AntWalk. Proven expertise in React, Node.js, Express.js, and MongoDB with complementary knowledge of Angular. Skilled in responsive design, RESTful APIs, state management, and end-to-end application development. Known for quick learning, adaptability, and collaborative problem-solving approach. Strong foundation in clean code practices.

TECHNICAL SKILLS

Frontend

React.js | HTML5 | CSS3 | JavaScript (ES6+) | Bootstrap | Responsive Design | Angular (TypeScript)

Backend

Node.js | Express.js | REST APIs | Authentication (JWT) | Middleware | Async/Await

Database

MongoDB | SQL | Mongoose ODM

Tools & Platforms

Git | GitHub | VS Code | Postman | REST APIs | Agile/Scrum | OpenAI | Prompt Engineering

Core Competencies

Responsive Design | Debugging | Cross-Browser Compatibility | Workflow Automation | Performance Optimization | API Integration

PROFESSIONAL EXPERIENCE

Senior Associate – Technical Assistance.

Pan India Projects, Amaravati, Andhra Pradesh | July 2025 – September 2025 |

- System and software support
- Technical troubleshooting
- Tools and Ticketing and Process improvement

Senior Associate – Frontend Developer.

AntWalk, Bengaluru, Karnataka | March 2022 – March 2025

- Developed and maintained responsive frontend systems for internal learning management platforms using React, HTML5, CSS3, and JavaScript, serving 1000+ daily active users
 - Implemented user authentication and authorization using JWT tokens, ensuring secure access to platform features and user data protection
 - Designed MongoDB data schemas and implemented efficient database queries for learning content management, user tracking, and performance analytics
 - Streamlined operational workflows with automated solutions using prompt engineering and AI tools, improving operational efficiency by 50% and reducing manual workload by 60%
 - Integrated third-party APIs and external services with React components for seamless data synchronization and real-time updates
 - Ensured responsive, accessible, and user-friendly experiences across all devices (mobile, tablet, desktop) with 95%+ cross-browser compatibility
 - Conducted rigorous testing, debugging, and performance optimization to identify and resolve issues, maintaining platform reliability and stability
 - Implemented state management using React Hooks and Context API for complex application state handling and predictable data flow
-

NOTABLE PROJECTS

E-Commerce Platform (MERN Stack)

- Built full-featured e-commerce platform with React frontend and Node.js/Express backend
- Implemented secure user authentication, product filtering, search functionality, and shopping cart management
- Integrated payment gateway for processing transactions with order tracking and user dashboard
- Designed MongoDB collections for products, users, orders, and inventory management
- Stack: React, Node.js, Express.js, MongoDB, JavaScript, Bootstrap, REST APIs

Learning Management Platform (React + Node.js)

- Developed and maintained LMS frontend for managing learning content, user progress tracking, and course administration at AntWalk
- Built backend APIs using Express.js for handling user enrollments, course content delivery, and performance analytics

- Implemented responsive design ensuring optimal learning experience across mobile and desktop devices
- Integrated MongoDB for storing course data, user progress, and learning analytics
- Stack: React, Node.js, Express.js, MongoDB, REST APIs, JWT Authentication

Portfolio Website

- Created personal portfolio website showcasing projects and technical skills using HTML5, CSS3, and JavaScript
 - Ensured responsive design and cross-device compatibility with clean user experience
 - Stack: HTML5, CSS3, JavaScript, Bootstrap
-

EDUCATION

Master of Business Administration (MBA)

JNTU Kakinada, Andhra Pradesh | October 2020

Bachelor of Science in Computer Science

Acharya Nagarjuna University, Andhra Pradesh | March 2018

CERTIFICATIONS & CONTINUOUS LEARNING

- Web Developer Bootcamp (Revised 2025) – Udemy
 - Prompt Engineering Bootcamp – Udemy (2025)
 - React Advanced Patterns (In Progress)
-

ADDITIONAL INFORMATION

Languages: English, Hindi and Telugu

Willingness: Open to relocation | Flexible with work timings and shifts | Remote work comfortable

Key Strengths: Quick learner | Adaptable to new technologies | Strong problem-solving skills | Agile team experience | Collaborative approach
